City may add additional locations during the contract period or may delete locations if there are no further requirements.

The City of Fort Wayne reserves the right to test the quality of all gasoline furnished under this contract and to refuse to accept or return any product which does not meet minimum requirements as outlined in these specifications. Any product returned, not meeting specifications, will be done so at vendors expense.

The City of Fort Wayne is exempt from the State of Indiana Sales Tax and Federal Excise Tax under the Certificate Numbers 1-35-6001029-01 and 003122581 001 3.

The State of Indiana Motor Fuel Tax and Leaking Underground Storage Tank Trust Fund (LUST) Tax is to be added to the invoice for gasoline by the vendor. The amount for tax and LUST Tax must be itemized separately on the invoice from the gasoline.

No other charges will be accepted for payment, such as delivery fees, other taxes, etc..., other than those mentioned in these specifications. The contractor must submit with this bid a certification stating the amount of storage capacity available in the Fort Wayne area (25 mile radius of downtown Fort Wayne) to provide the product or products covered by this document by the Refiner or Refiners to be used for supplying the products for this contract.

The contractor must also certify, by a written statement from his prime supplier, that the volume of product required by this document is guaranteed to be available during the period of this contract. The prime supplier must be a recognized Refiner and not a jobber distributor.

The contractor must attach the certification of both items as stated above to the proposal page of the bid document in order for this bid to be considered responsive.

If fuel allocation occurs at anytime during the contract period, Federal Law instructions will supersede this agreement. The base prices set forth are to be posted average prices for the week ending March 5, 1993 as reported for the Fort Wayne area in Pad 2 of the Oil Price Information Service (OPIS) on all products bid under this contract, plus or minus an adjustment factor. All bidders must submit with their bid a copy of OPIS Pad 2, published date of March 8, 1993, to substantiate the posted prices indicated on their bid documents.

The posted average prices in OPIS Pad 2 must be faxed to City Purchasing, City Utilities Garage, Fire Department and the Park Department by the successful vendor every Monday morning during the contract period. Fax numbers will be provided to the awarded vendor. The posted average prices on OPIS Pad 2 may change from week to week during this contract and consequently the base prices set forth above shall increase/decrease as the OPIS price

Dear Sir;

The amount of fuel and gasoline storage, Smith Petroleum, Inc. has in Fort Wayne is 238,000 gallons. In addition we have 100,000 gallons storage in Churubusco.

Since we are in Fort Wayne you will not need our 800 number. Our 24 hour number is 432-2505. In addition you may reach me at home at 622-4269. Our transports run 24 hours a day and seven days a week. Our tank wagons are on call for evenings and weekends.

In the event that all bids are refused, we would be glad to continue to fax the city weekly as we are currently doing.

If you have any question, please contact me.

Sincerely,
